

DIORAMA Assignment

Instructions:

You will create a diorama for a habitat of your choice.

A **diorama** is a box that shows a scene using sculpted figures.

You can choose to use any materials you would like for your diorama, but it should all fit into a box the size of a shoebox.

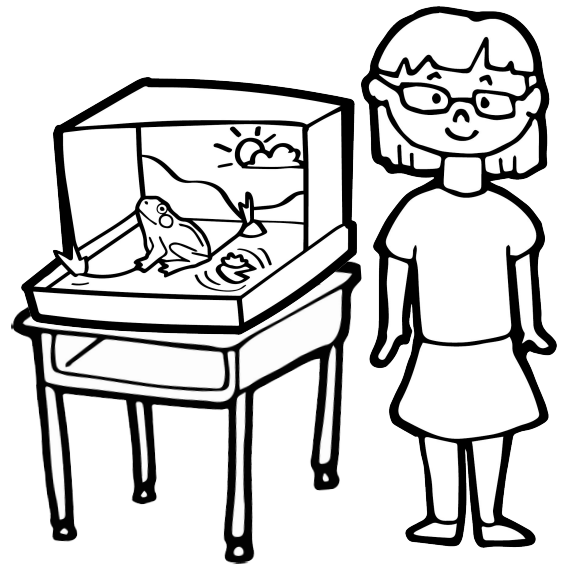

Examples of materials you may want to use are moulding clay, leaves, branches, popsicle sticks, markers, pencil crayons, figurines, and magazines.

You can choose any of the habitats below:

- Rainforests
- Wetlands
- Oceans
- Forest
- Desert
- Tundra

Your diorama should include:

- At least 2-3 animals
- At least 2-3 plants
- Labels
- Appropriate colours for your habitat

On a separate piece of paper:

- Write a paragraph explaining what is in your habitat. Include any interesting facts or information that makes this habitat unique!

Chosen habitat: _____

Name: _____

Date: _____
